

“Sustainability is the biggest opportunity and challenge that business faces”

nISBn

NORTHERN INLAND SUSTAINABLE BUSINESS NETWORK

Northern Inland Sustainable Business Network

The main focus of NISBN is to provide:

- opportunities for businesses to improve their sustainability
- a one-stop-shop for business environmental resources
- access to expert speakers on topics of sustainability
- a supplier database for regional businesses
- case studies of sustainable champions in the region
- a showcase for sustainable initiatives and projects
- a supportive environment for linking with like-minded businesses
- information on available grants, subsidies and rebates
